CALL FOR PAPERS

A special issue of the

International Journal of Engineering Management and Economics

« Applied Optimization »

Guest Editor:

Saoussen KRICHEN, University of Tunis, Tunisia

Submission Deadline: October 31, 2013.

Optimization is provides good solutions to many practical situations such as logistics and transportation, Production, water resources and scheduling problems.

The aim of this special issue of the International Journal of Engineering management and Economics is to present applied researches in optimization that underline the benefits of solving a decision problem by means of either exact of heuristics approaches. Theoretical, practical contributions and also surveys are welcome.

The issue will carry revised and substantially extended versions of selected manuscripts presented at International Conference on Modeling, Simulation and Applied Optimization (ICMSAO'2013), Hammamet, Tunisia, April 28-30, 2013 (see http://www.icmsao.org).

We encourage researchers who cannot participate in the conference to submit papers for this special issue. All papers are refereed through a peer review process. All papers must be submitted online. To submit a paper, please read the journal information on preparing and submitting papers.

Subject Coverage:

Theoretical and/or empirical contributions that make a significant contribution to this field are welcome. Potential topics include, but are not limited to:

- Applied optimization
- Exact and heuristics approaches
- Convex and non-convex models Solution
- Case studies

Notes for Prospective Authors

Submitted papers should not have been previously published nor be currently under consideration for publication elsewhere. (N.B. Conference papers may only be submitted if the paper has been completely re-written and if appropriate written permissions have been obtained from any copyright holders of the original paper).

All papers are refereed through a peer review process.

All authors must declare they have read and agreed to the content of the submitted article. A full statement of our Ethical Guidelines for Authors is available.

 All papers *must* be submitted online. To submit a paper, please read our information on preparing and submitting articles.

Important Dates

Submission of manuscripts : 31 October 2013

Notification of final acceptance: 1 June 2014

Contact

The editor of the special issue is happy to discuss initial ideas for papers, and can be contacted directly:
